STATEMENT IN SUPPORT OF PETITION TO MAKE SPECIAL BECAUSE OF ACTUAL
INFRINGEMENT

I, Joseph J. Mazzilli, residing at 57-67 Cloverside Blvd., Bayside, NY 11364 am the applicant in this case and make the following statements:

I disclosed my invention covered by the above referenced patent application to Panasonic and had meeting with a representative from Panasonic, Mr. William Salveson, District Sales Manager/western region, Panasonic, Panasonic Computer Solutions Company, Division of Matsushita Electric Corporation of America, 4141 Ball Road-PMB 223, Cypress California 90630 on March 20, 2003. Mr. Salveson informed at that meeting that unless there was an issued US Patent for the invention, Panasonic would appropriate my invention and manufacture and sell the invention without any compensation for me. Panasonic has been contacting various police stations throughout the US soliciting orders for my invention.

I need expedited prosecution of my above referenced application in order to secure claim coverage that will permit me to enjoin Panasonic from their declared activities including the solicitation of orders for this invention.

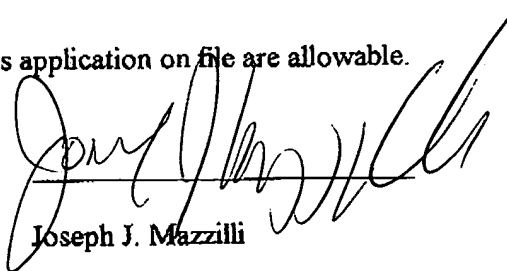

In my opinion claims 1-15 on file of the application are unquestionably infringed.

I have made a search of the pertinent prior art. All such material art is provided to the Examiner as being supplemented.

I believe all the claims in this application on file are allowable.
